Billy Beaudreau, PT, DPT, OCS, MTC, FAAOMPT, has a bachelors degree in Health and Exercise Science with a co-honors in 2006 from Colorado State University in 2006. He went on to receive his Doctorate of Physical Therapy from the University of St Augustine with honors in 2009. Billy began his career in Cincinnati, Ohio where he was a clinical manager for an outpatient physical therapy clinic. He completed his Manual Therapy Certification (MTC) through the University of St Augustine. He moved down to New Orleans to work for Superior Orthopedic Manual Physical Therapy through American Academy of Orthopedic Manual Physical Therapy in 2011 (FAAOMPT). In 2016, Billy was able to complete the requirements and examination to become a board certified clinical specialist in orthopedics. He is now recognized by the American Physical Therapy Association as a Board Certified Clinical Specialist in Orthopedics. He is one of the few Physical Therapists in the New Orleans area to have both his OCS and FAAOMPT. Billy also has extensive experience with the clinic's residency program, and has a passion for educating and mentoring new therapists.

In his free time Billy enjoys spending time with his wife, Sarah, and two boys, Liam and Luke, as well as being an active member of the community.

## **Robyn Trinchar, Physical Therapist**

Robyn Trinchar attended college at Southeastern Louisiana University in Hammond and began her studies for physical therapy in New Orleans in 1995. She received her Bachelor's degree in Physical Therapy in August of 1997. Her first 7 years of her career were spent in Hammond with the first 5 of those years spent with a strong concentration in Pediatrics.

Robyn Trinchar attended college at Southeastern Louisiana University in Hammond and began her studies for physical therapy in New Orleans in 1995. She received her Bachelor's degree in Physical Therapy in August of 1997. Her first 7 years of her career were spent in Hammond with the first 5 of those years spent with a strong concentration in Pediatrics and then her last two years with a focus on orthopedics. Within those 7 years she was cross-trained and worked in a variety of settings, including inpatient acute care, inpatient rehabilitation, and outpatient physical therapy.

She

She began working part-time at Superior Rehabilitation in 2006 while also working as a contract therapist in a variety of settings. In 2008 to pursue a full-time position as a clinical director at Audubon Orthopedics and Sports Medicine until 2015. She joined our team as a team member in March of 2015 and we couldn't be happier to have her back as part of our team.

When

When Robyn is not working she enjoys caring for her family. She is married to Billy and has two sons and one daughter.
