

For Patients

New Patients

Superior Rehabilitation, providing physical therapy and rehabilitation services in Metairie, Louisiana, is dedicated to helping those whose lives have been altered by pain return to regular activity, avoid pain pills, and stay out of the doctors office.

Your first visit

You can expect to receive a full evaluation of your condition at your first visit to Superior Rehab, followed by a customized program of care.

If time permits, you will likely receive your first treatment at that time, so please wear comfortable, loose-fitting clothing.

Bring with you a list of any prescribed medications or over-the-counter remedies you take regularly.

Insurance

Superior Rehabilitation accepts most major insurance providers. For specific information about your particular situation, please call our office at 504-887-7463.
